JANUARY NEWSLETTER

Dear Parents/ Carers,

Firstly, Happy New Year to you all and I do hope you have had a peaceful and safe Christmas.

if you have been watching the news and other media outlets for the last few days, you will be aware that there continues to be lots of speculation and changes. Our priority, as always, is to keep the Hemswell Cliff Primary community safe. We are still learning about the new variant and there are many questions still left unanswered so we need work together to keep everyone safe. Thank you to staff who remain positive and committed to maintaining the protocols that continue to keep us all safe.

On that note, below is how you can continue to support us to keep our families as safe as possible:

Please:

- Stick to the allocated drop off and pick up times
- Keep to the 2 metre distancing at all times.
- Once you have collected your children, please leave the school locality straight away.
- Please only send one adult to drop off/collect children to reduce numbers.
- Whilst waiting for your child, please maintain distance from other parents, keep all of your children with you and stay to one side of the pavement to allow children leaving school to do so safely, keeping their distance and without them needing to walk on the road.
- If your child is unwell (positive cases do not always present with the same/typical symptoms) please keep your child at home, inform school, and monitor. We do want children in school, but if there is doubt, we need to be cautious.
- I will be honest and transparent if we have any cases in school, I cannot give you the names of people if any test positive but I will contact those directly impacted and needing to isolate and inform the whole school community of any positive cases in school.
- Breakfast Club will continue but with restricted numbers.

We do not know what position we will be in next week or next month, but if we all work together we will hopefully keep the school and community, as safe as we possibly can. If you do have concerns, please do contact me, we all have different pressures and concerns and we want to work with you.

As always, if you need further support or guidance, please do not hesitate to contact the school.

Best wishes,
Mrs Waplington
