Value of the Month

Co-operation

Dear Parents/Carers,

The summer holidays now seem a dim and distant memory – we seem to have been back at school for a very long time!! Thank you to you all for your support and positive comments over the last few weeks – it has been wonderful to see so many of you in Honours Assemblies on Thursdays.

“ITS GOOD TO GROW”

Can you help us grow? Morrisons have created a collector scheme where you can exchange grow tokens for gardening equipment for your school. For every £10 you spend, school will receive a token that will go towards gardening equipment and tools to help teach the children the importance of growing and planting. Please register at www.itsgoodtogrow.co.uk. Thank you for your support.

CHANGE OF CONTACT DETAILS

It is your responsibility to inform the school office of any changes to your contact details. This includes your address, telephone numbers, email, and your emergency contact's contact information. Student update forms will be sent out next week, please check them carefully and change any incorrect information, then return them to school (even if everything is correct). Any amendments will be updated on the school records.

HOMEWORK

All KS1 and KS2 children should read and practice their times tables and spellings at least three times per week. Children will have a log in and password for SUMDOG - if you have any problems with passwords please let us know. If you wish to challenge your children further with writing, the most helpful way is to encourage sentence writing using their current spellings. Don't forget you can also quiz your children with the facts on their knowledge organisers too

FAMILY FOCUS – SLEEP

Quality sleep is essential for children's growth and development. A decent night's sleep will help them do better at school, allow them to react more quickly to situations, have a more developed memory, learn more effectively and solve problems plus it will make them less susceptible to colds and other minor ailments and be better behaved! This website is full of great advice and information - why not check it out: <https://thesleepcharity.org.uk/>

Kind regards,
Mrs Waplington

Coronavirus

If you, your child or any household members show symptoms of Coronavirus, they must not come to school and they should arrange for a test immediately. If a test is positive, you must inform school straight away so that we can take appropriate actions.
